## What do you think the differences are?

Let me share my views...

1. **The countries that are growing are poor places that are struggling on a wide range of levels, from things ranging from oppression to sickness, hunger, economic lack, etc. Yet these are the places where evangelism is being actively done and spiritual growth in churches being planted and people being saved is taking place.**
2. **America is in steep decline in church attendance. Congregations are dying out each year and we are losing more people a year than we are saving. The European countries are prosperous and are thriving in secular successes, (like the US) yet are also in decline in church growth. These places are well off, they have ease and a constant flow of pleasure and conveniences. AND EVANGELISM is at an all time low by citizens in America.**

What does God say to the Israelite's in the OT in matters of wealth and success?

In like measure church attendance and religion is dying out in Europe. Evangelism is not being done there as it should be, by its people, either.

*Deut 6:6 “These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. 8 Tie them as symbols on your hands and bind them on your foreheads. 9 Write them on the doorframes of your houses and on your gates.*

*10 When the Lord your God brings you into the land he swore to your fathers, to Abraham, Isaac and Jacob, to give you—a land with large, flourishing cities you did not build, 11 houses filled with all kinds of good things you did not provide, wells you did not dig, and vineyards and olive groves you did not plant—then when you eat and are satisfied, 12 be careful that you do not forget the Lord, who brought you out of Egypt, out of the land of slavery. 13 Fear the Lord your God, serve him only...”*

God says remember me. Teach your children to remember me. EVEN when you begin to prosper and flourish. When life is easy, when it is filled with pleasure and full of success...remember me. Serve NO God's but me. Yet have we taught our children to share Jesus? Even in coming to church and training children in the ways of the Lord. The people of God have a poor retention rate in keeping their offspring from falling through the cracks. Americans and citizens in prosperous countries need to remember to **“seek first the kingdom of God and His righteousness,” Matthew 6:33.** If we want things to begin to change. If enough of us act we can change the apathy in kingdom culture.
